

### **Dentistry residency at AzurVet Specialists Veterinary Center, France (2020-2023)**

Azurvet Specialists Veterinary Center is seeking a veterinary surgeon with great interest in dentistry/oral and maxillofacial surgery to undertake a three-year EVDC conforming residency program ('EVDC residency program'). During the residency, you will work in a referral exclusive multidisciplinary center (neurology, diagnostic imaging, internal medicine, surgery, cardiology, dentistry and clinical pathology) with advanced on-site facilities (high-field MRI, CT, interventional fluoroscopy, CBCT, laboratory).

Beginning: 1st November 2020

Entry requirements:

- DVM
- special interest in dentistry/oral and maxillofacial surgery
- 1-year small animal internship or an equivalent experience in private practice (at least 2 years). Additional 1-year experience in surgery or internal medicine appreciated.
- French speaking.

Please send your application by email to my attention, including updated curriculum vitae, letter of intent and 2 reference letters before 15th September 2020.

Dr Nicolas Girard DMV, Dipl. EVDC Spécialiste en dentisterie

EBVS® European Specialist in Veterinary Dentistry

AzurVet, 769 avenue Pierre et Marie Curie 06700 Saint Laurent du Var, France.
